Tell us about yourself

1

Sevananda is a service-driven business. What does great service mean to you?

2

Sevananda is a high-volume business with a work day that can be long and stressful. What makes you believe you can perform well and excel under these working conditions?

3

Describe a real incident in which you were treated rudely as a customer somewhere. How would you have handled it differently if you had been in the other person's shoes?

4

If you've ever shopped at Sevananda, please describe what you most enjoyed about the experience.

5

What experience and knowledge do you hope to gain from working at Sevananda?

6

When we check your references, what do you think they will name as your greatest strength? Your greatest weakness?

7

As a potential staff member, what would you expect from your managers and supervisors?
